## CHAPTER CA2A

### Sequoia Road Riders

Dear Fellow GWRRA Chapters:

For the last two years, Chapter CA2A, located in the agricultural heartland and great mountain areas of California, has wanted to develop an annual ride event. Since Chapter CA2A has attained a sufficient active membership, it is now ready to give it a shot. Our goals going forward are to raise funds for chapter operations and hopefully be successful enough to contribute to a worthwhile charity in future years.

Since this is our first attempt in several years with mostly new members, other area motorcycling groups are being invited to expand participation. Obviously, we want a good showing of Wingers attending. So a big invite to your chapter members to join us for a fun day with the CA2A Sequoia Road Riders. If group registration turns out well, we just might throw in some meatballs to round out the meal trimmings. Hope to see you there.

Sincerely,

Joe Akkerman
